Plan-Based Bonuses

For Fiscal 2016, the potential compensation for Messrs. Bergera, Schmidt and Kreter included an annual cash bonus based upon criteria established by the Compensation Committee for such fiscal year.

Under his employment agreement, Mr. Bergera was provided a target bonus opportunity of \$150,000 (not including his signing bonus of \$150,000), subject to attainment of specified corporate performance goals and Mr. Bergera's achievement of strategic objectives that were qualitative in nature and were established by the Compensation Committee. The objectives for Mr. Bergera generally

included strategic assessment of the market and operations of the Company's business units, the design and implementation of forecasts, restructuring of the corporate marketing function and implementing a new role to drive the ITS/connected vehicle strategy. Mr. Bergera's bonus was based 40% on our total revenue and operating income goals (as described in more detail below) and 60% on his achievement of his strategic objectives.

For Mr. Schmidt, his bonus was based 60% on our total revenue and operating income goals, 20% on revenue and operating income goals for our Performance Analytics segment, and 20% on achieving certain objectives related to staff recruitment and development, as well as strategic financial planning for the Company.

For Mr. Kreter, his bonus was based 35% on our total revenue and operating income goals, 45% on revenue and operating income goals for our Roadway Sensors segment, and 20% on achieving certain objectives with respect to the Roadway Sensors segment, including development and enhancement of products, new customer development, and revamping the international strategy and distribution channel.

The corporate and business unit performance targets for the annual cash bonuses for Messrs. Bergera, Schmidt and Kreter for Fiscal 2016 were as follows:

<u>Performance Component(1)</u>	<u>No Bonuses At or Below</u>	<u>Target</u>	<u>Maximum</u>
		(in thousands)	
Corporate Revenue	\$ 72,505	\$ 85,300	\$ 93,830
Corporate Operating Income	1,120	1,400	1,680
Roadway Sensors Revenue	35,505	39,450	43,395
Roadway Sensors Operating Income	4,120	5,150	6,180
Performance Analytics Revenue	9,720	10,800	11,880
Performance Analytics Operating Income	(7,500)	(6,250)	(5,000)

- (1) The corporate revenue and operating income goals were applicable to each of Messrs. Bergera, Schmidt and Kreter. The Roadway Sensors revenue and operating income goals were applicable to Mr. Kreter, and the Performance Analytics revenue and operating income goals were applicable to Mr. Schmidt.

The target bonus opportunities for Fiscal 2016 based on the above criteria were as follows: Mr. Bergera—\$150,000; Mr. Schmidt—\$125,000; and Mr. Kreter—\$137,500. If our performance for Fiscal 2016 exceeded the revenue and operating income targets set for bonus purposes, the executives could have earned an additional bonus of up to 50% of the target bonus award that was not based upon achieving individual objectives. The full 50% additional bonus would have been earned by the NEOs if the Company had achieved the revenue and operating income goals set forth under the "Maximum" column above. If the Company had achieved revenue and operating income which were less than the goals set forth under the "Maximum" column but more than the amounts set forth under the "Target" column, the additional bonus payable would have been proportional, or based on the level of the Maximum goal achieved when measured from the Target amount. For example, if the performance had exceeded the Target goal by 25% of the difference between the Maximum and Target amounts, then 25% of the 50% additional bonus relating to such performance goal would have been payable.

In Fiscal 2016, our revenue and operating results for the Company and for the relevant business units for bonus purposes were as follows: Corporate Revenue—\$77.7 million; Corporate Operating Loss—\$(3.5) million; Roadway Sensors Revenue—\$40.3 million; Roadway Sensors Operating Income—\$4.8 million; Performance Analytics Revenue—\$5.2 million; and Performance Analytics Operating Loss—\$(9.3) million. As a percentage of the targets set for bonus purposes, the results were as follows:

Corporate Revenue—91.1%; Corporate Operating Income—0%; Roadway Sensors Revenue—102.2%; Roadway Sensors Operating Income—93.2%; Performance Analytics Revenue—0%; and Performance Analytics Operating Income—0%. For bonus purposes, segment operating income results include certain corporate allocations. Accordingly, based upon the above described criteria, bonuses in the following amounts were approved for Fiscal 2016: Mr. Bergera—\$63,080; Mr. Schmidt—\$40,369; and Mr. Kreter—\$85,296.

Dr. Daly's options were granted to him for his service as a non-employee director of the Company, and all such options, other than the option granted on September 24, 2015, are fully vested.

Employment Contracts; Termination of Employment and Change of Control Arrangements

We do not currently have any employment contracts in effect with any of our named executive officers other than the agreements described below. We provide incentives such as salary, benefits, option grants and RSUs to attract and retain executive officers and other key associates. The plan administrator of the 2007 Omnibus Incentive Plan has the discretion to determine whether outstanding equity awards held by our NEOs are to vest upon a qualifying termination of employment following certain changes in control of the Company, or upon such change in control, but we do not provide for any automatic "single trigger" acceleration of equity awards upon a change in control (other than the option grant received by Dr. Daly in connection with his service as a non-employee director). Other than as noted in this section, there is no agreement or policy which would automatically entitle any named executive officer to severance payments or any other compensation as a result of such officer's termination.

Agreement with Joe Bergera

In connection with his hiring, we entered into an employment agreement with Joe Bergera, our Chief Executive Officer, dated September 8, 2015, pursuant to which Mr. Bergera will receive an annual base salary of \$385,000, which may be increased from time to time at the discretion of the Compensation Committee. Mr. Bergera will also be eligible to participate in our executive bonus plan as then in effect and his potential bonus for each year will be established annually by the Board or a committee of the Board, provided that the bonus potential for Fiscal 2016 will be \$300,000, of which \$150,000 was a signing bonus payable on January 31, 2016 provided that Mr. Bergera was employed by the Company as of such date. The agreement is for an initial term of three years and will renew for successive one year periods until September 2025 unless either we or Mr. Bergera provides written notice of non-renewal at least 30 days prior to the end of the initial term or renewal term, as applicable.

Pursuant to the agreement, Mr. Bergera also received an option grant under our 2007 Omnibus Incentive Plan to purchase up to 1,350,000 shares of our common stock (the "Option"). The Option will vest in equal annual installments over four years and has an exercise price equal to the closing sales price of our common stock on the date of grant of the Option.

If during the initial term of the agreement or any renewal term, Mr. Bergera's employment with the Company is terminated without Cause (as such term is defined in the agreement), Mr. Bergera will be entitled to receive (i) salary continuation payments for 12 months following his termination, (ii) a lump sum payment equal to the pro-rated portion of his target bonus established by the Compensation Committee for the fiscal year in which his employment is terminated and (iii) reimbursement for the cost of COBRA coverage for a period of up to 12 months following the termination. If Mr. Bergera is terminated without Cause or resigns for Good Reason within 12 months following a Change in Control (as such terms are defined in the agreement) (such termination or resignation, a "CIC Termination"), Mr. Bergera will be entitled to receive (i) a lump sum payment equal to 125% of his base salary as then in effect, (ii) a lump sum payment equal to the pro-rated portion of his target bonus established by the Compensation Committee for the fiscal year in which the CIC Termination occurs, (iii) reimbursement for the cost of COBRA coverage for a period of up to 12 months following the CIC Termination, and (iv) acceleration of the vesting of the Option. In addition, upon termination of his employment due to death, Mr. Bergera's estate or beneficiaries will be entitled to receive salary continuation payments in the aggregate equal to 50% of his then current base salary.

Agreement with Andrew Schmidt

We entered into an employment agreement dated March 9, 2015 with Andrew Schmidt, our Chief Financial Officer, in connection with his hiring. Pursuant to the agreement, Mr. Schmidt will receive an

annual base salary of \$325,000, which may be increased from time to time at the discretion of the Board or the Compensation Committee. He will also be eligible to participate in our executive bonus plan as then in effect and his potential bonus for each year will be established annually by the Board or the Compensation Committee, provided that the bonus potential for Fiscal 2016 was to be \$125,000. The agreement will have an initial term of two years and will renew for successive one year periods until March 2025 unless either the Company or Mr. Schmidt provides written notice of non-renewal at least 30 days prior to the end of the initial term or renewal term, as applicable. If during the initial term of the agreement or any renewal term, Mr. Schmidt's employment with the Company is terminated without Cause or he resigns from the Company for Good Reason (as such terms are defined in the agreement), Mr. Schmidt will be entitled to salary continuation payments for six months following his termination in an aggregate amount of up to 50% of his annual base salary as then in effect. In addition, Mr. Schmidt will be entitled to receive reimbursement for the cost of COBRA coverage for a period of up to six months following such termination.

Director Compensation

Directors who are not employees of Iteris or any of its subsidiaries receive an annual retainer of \$28,000 per year, paid quarterly, with the Chairman of the Board receiving an additional \$10,000 per year. No additional amounts are paid for attending meetings. In addition, each non-employee director who serves on a Board committee receives the following annual amounts, paid quarterly: Audit Committee—\$2,500 (\$5,000 for the Chair); Compensation Committee—\$1,500 (\$3,000 for the Chair); Nominating and Governance Committee—\$1,000 (\$2,000 for the Chair); ad hoc committees—\$500 (\$1,000 for the Chair). All directors are reimbursed for their out-of-pocket expenses incurred in attending meetings of our Board of Directors and its committees.

Non-employee directors are also eligible to receive periodic option grants pursuant to the Directors' Automatic Option Grant Program under our 2007 Omnibus Incentive Plan. Under that plan, each non-employee director receives an option to purchase 20,000 shares of common stock upon his initial appointment to the Board of Directors and an additional option to purchase 10,000 shares of common stock on the date of each annual meeting provided he has served on the Board for at least six months as of such annual meeting. Each such option is immediately exercisable for any or all of the option shares, but the shares acquired are subject to repurchase by the Company at the exercise price paid per share if the optionee ceases service with the Company prior to vesting in those shares. Each option vests in full upon the optionee's completion of one year of service measured from the grant date. However, the vesting of each such option will accelerate in full upon certain changes in control of the Company or upon the optionee's death or disability while a director. Each option granted to non-employee directors under the Directors' Automatic Option Grant Program will have an exercise price equal to the fair market value of the common stock on the grant date and a maximum term of ten years, subject to earlier termination following the optionee's cessation of service as a Board member. Following the optionee's cessation of Board service for any reason, each option will remain exercisable for a 12-month period and may be exercised during that time for any or all shares in which the optionee is vested at the time of such cessation of service as a director.

The following table sets forth a summary of the compensation earned in Fiscal 2016 by each person who served as a director during such year, who is not a named executive officer.

Indemnification of Directors and Officers

Under Section 145 of the Delaware General Corporation Law, we can indemnify our directors and officers against liabilities they may incur in such capacities, including liabilities under the Securities Act of 1933, as amended. Our certificate of incorporation and bylaws provide that we will indemnify our directors and officers to the fullest extent permitted by law, and our bylaws require us to advance litigation expenses upon receipt of an undertaking by the director or officer to repay such advances if it is ultimately determined that the director or officer is not entitled to indemnification. The bylaws further provide that rights conferred under such bylaws do not exclude any other right such persons may have or acquire under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

Our certificate of incorporation provides that, pursuant to Delaware law, our directors shall not be liable for monetary damages for breach of the directors' fiduciary duty of care to us and our stockholders. This provision in the certificate of incorporation does not eliminate the duty of care, and in appropriate circumstances equitable remedies such as injunctive or other forms of non-monetary relief will remain available under Delaware law. In addition, each director will continue to be subject to liability for breach of the director's duty of loyalty to us or our stockholders, for acts or omissions not in good faith or involving intentional misconduct or knowing violations of law, for actions leading to improper personal benefit to the director, and for payment of dividends or approval of stock repurchases or redemptions that are unlawful under Delaware law. The provision also does not affect a director's responsibilities under any other law, such as the federal securities laws or state or federal environmental laws.

We have entered into agreements to indemnify certain of our directors and officers in addition to the indemnification provided for in the certificate of incorporation and bylaws. These agreements, among other things, indemnify such directors and officers for certain expenses (including attorneys' fees), judgments, fines and settlement amounts incurred by such person in any action or proceeding, including any action by or in the right of the Company, on account of services as a director or officer of Iteris, or as a director or officer of any other company or enterprise to which the person provides services at our request.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Certain Transactions

Since April 1, 2014, other than the agreements and transactions described in "Item 11. Executive Compensation" and the transactions described below, there has not been, nor is there any proposed transaction, where we (or any of our subsidiaries) were or will be a party in which the amount involved exceeded or will exceed the lesser of \$120,000 or the average of our total assets at year-end for the last two fiscal years and in which any director, director nominee, executive officer, holder of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest.

We previously subleased office space to Maxxess Systems, Inc. ("Maxxess"), one of our former subsidiaries that we sold in September 2003 and is currently owned by an investor group that includes one of our directors, who is also a director of Maxxess and previously served as its CEO. The sublease terminated in September 2007, at which time Maxxess owed us an aggregate of \$274,000 related to this sublease and certain ancillary corporate services that we provided to Maxxess. In August 2009, Maxxess executed a promissory note payable to us for \$274,000. On July 23, 2013, the promissory note with Maxxess was amended and restated. The amended and restated note bears interest at a rate of 6% per annum, compounded annually, with accrued interest to be paid quarterly on the first business day of each calendar quarter. Payments under the amended and restated note may only be made in cash and all amounts outstanding will become due and payable on the earliest of (i) August 10, 2016, (ii) a change of control in Maxxess or (iii) a financing by Maxxess resulting in gross proceeds of at least \$10 million. As of March 31, 2016, approximately \$219,000 of the original principal balance was outstanding and payable to us. For each of the fiscal years ended March 31, 2016 and 2015, interest payments totaling approximately \$14,000 and \$16,000, respectively, were made by Maxxess. We have

previously fully reserved for amounts owed to us by Maxxess and all outstanding principal remains fully reserved.

Director Independence

The Board of Directors has determined that each of Messrs. Char, Daly, Miner, Mooney, Thomas and Williams satisfies the requirements for "independence" using the standards established by Nasdaq, except that Dr. Daly did not qualify as an independent director while he was serving as our interim Chief Executive Officer from February 2015 to September 2015.

ITEM 14. PRINCIPAL ACCOUNTING FEES AND SERVICES

Principal Accountant Fees

Deloitte & Touche LLP ("Deloitte") was engaged by us as our principal accountant in October 2015, beginning with the review of our consolidated financial statements for the second quarter of Fiscal 2016, and rendered the audit opinion on our consolidated financial statements for Fiscal 2016.

The audit fees billed by Deloitte for Fiscal 2016 totaled \$525,000. Audit fees consist of fees for professional services rendered in connection with the audit of our annual consolidated financial statements for the applicable fiscal year and review of the consolidated financial statements included in our quarterly reports on Form 10-Q and other regulatory filings for such fiscal year. There were no other fees billed to us by Deloitte for Fiscal 2016.

Audit Committee Pre-Approval Policies and Procedures

All engagements for services by Deloitte or other independent registered public accountants are subject to prior approval by the Audit Committee; however, de minimis non-audit services may instead be approved in accordance with applicable SEC rules. The prior approval of the Audit Committee was obtained for all services provided by Deloitte for Fiscal 2016.
