PROXY STATEMENT
SPECIAL MEETING OF THE STOCKHOLDERS
TO BE HELD MARCH 11, 1999

General

These proxy materials and the enclosed proxy card are being furnished in connection with the solicitation of proxies by the Board of Directors of Odetics, Inc., a Delaware corporation (the "Company"), to be voted at the Special Meeting of Stockholders of the Company to be held on Thursday, March 11, 1999 at 10:00 a.m., Pacific Time, or any adjournment or postponement thereof (the "Special Meeting"). These proxy materials were first mailed on or about February 16, 1999, to all of the Company's stockholders entitled to vote at the Special Meeting.

The mailing address of the Company's principal executive offices is 1515 South Manchester Avenue, Anaheim, California 92802.

Purpose Of Special Meeting

The specific proposal to be considered and acted upon at the Special Meeting is to approve the sale of approximately 308,528 shares of Class A Common Stock to eight of the Company's officers and directors in connection with a private placement of securities. The proposal is described in more detail in this Proxy Statement.

Voting Rights

The record date for determining those stockholders who are entitled to notice of, and to vote at, the Special Meeting has been fixed at February 5, 1999. At the close of business on the record date, 7,630,544 shares of the Company's Class A Common Stock, \$0.10 par value per share, were issued and outstanding and 1,060,041 shares of the Company's Class B Common Stock, \$0.10 par value per share, were issued and outstanding.

Holders of each class of Common Stock will vote at the Special Meeting as a single class on all matters, with each holder of shares of Class A Common Stock entitled to one-tenth of one vote per share held, and each holder of shares of Class B Common Stock entitled to one vote per share held. All matters submitted for stockholder approval at the Special Meeting will be decided by the affirmative vote of a majority of the voting power of the shares present in person or represented by proxy at the Special Meeting and entitled to vote on each matter.

The majority of the aggregate of the outstanding shares of the Company's Class A Common Stock and Class B Common Stock entitled to vote will constitute a quorum for the transaction of business at the Special Meeting. Abstentions may be specified on all proposals except the election of directors. All votes will be tabulated by the inspectors of election appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes (shares held by a broker or other nominee having discretionary power to vote on some matters but not others). Abstentions and

broker non-votes are counted as present for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions will be counted towards the tabulations of votes cast on proposals presented to the stockholders and will have the same effect as negative votes, whereas broker non-votes will not be counted for purposes of determining whether a proposal has been approved.

If the enclosed form of proxy is properly signed and returned, the shares represented thereby will be voted at the Special Meeting in accordance with the instructions specified thereon. If the proxy does not specify how the shares represented thereby are to be voted, the proxy will be voted FOR the proposal to approve the issuance and sale an aggregate of 308,528 shares of Class A Common Stock to eight of the Company's officers and directors.

On December 31, 1998, directors and executive officers of the Company may be deemed to be the beneficial owners of an aggregate of 914,849 shares of Class A Common Stock and 439,844 shares of Class B Common Stock (including shares issuable upon exercise of outstanding stock options) constituting approximately 29.1% of the total voting power of all of the outstanding securities of the Company which are entitled to vote at the Special Meeting. Such directors and executive officers have indicated to the Company that each such person intends to vote or direct the vote of all shares of each class of Common Stock held or owned by such persons, or over which such person has voting control, in favor of the Proposal. See "Principal Stockholders and Common Stock Ownership of Management."

Revocability of Proxies

You may revoke or change your proxy at any time before the Special Meeting by filing with the Secretary of the Company at the Company's principal executive offices at 1515 South Manchester Avenue, Anaheim, California 92802, a notice of revocation or another signed proxy with a later date. You may also revoke your proxy by attending the Special Meeting and voting in person. Attendance at the Special Meeting will not, by itself, revoke a proxy.

Solicitation

The enclosed proxy is being solicited by the Company's Board of Directors. The Company will bear the entire cost of proxy solicitation, including costs of preparing, assembling, printing and mailing this Proxy Statement, the proxy card and any additional material furnished to the stockholders. Copies of the solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, the Company may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation by telephone, telegram or other means by directors, officers or employees of the Company. No additional compensation will be paid to these individuals for any such services.

In the discretion of management, the Company reserves the right to retain a professional firm of proxy solicitors to assist in solicitation of proxies. Although management does not currently expect to retain such a firm, it estimates that the fees of such firm would range from \$5,000 to \$10,000 plus out-of-pocket expenses, all of which would be paid by the Company.

PROPOSAL NO. 1

APPROVAL OF PRIVATE PLACEMENT AND ISSUANCE OF AN AGGREGATE OF 308,528 SHARES OF THE COMPANY'S CLASS A COMMON STOCK TO CERTAIN OFFICERS AND DIRECTORS OF THE COMPANY AT A PURCHASE PRICE OF \$6.625 PER SHARE, AS REQUIRED BY RULES OF THE NASDAQ NATIONAL MARKET.

General

On December 18, 1998, the Company entered into a Class A Common Stock Purchase Agreement (the "Purchase Agreement") with 25 accredited investors (the "Purchasers"), including the following eight officers and directors of the Company and its subsidiaries: Hugo Fruehauf, Ralph R. Mickelson, David Scheel, John W. Seazholtz, Joel Slutzky, Gary Smith, Leo Wexler and Paul E. Wright (collectively the "Management Purchasers"). The Purchase Agreement provided for the private placement and sale of an aggregate of 1,499,851 shares of the Company's Class A Common Stock to the Purchasers at a purchase price of \$6.625 per share. The closing price of the Company's Class A Common Stock on the Nasdaq National Market on the day the private placement was priced (December 16, 1998) was \$7.00 per share.

In connection with the private placement, the Company paid to Cruttenden Roth Incorporated, as placement agent, a placement fee in the amount of 7% of the gross proceeds on the sales of Class A Common Stock to all Purchasers other than the Management Purchasers. The Company has agreed to pay to Cruttenden Roth Incorporated a placement fee in the amount of 4% of the gross proceeds on all sales of Class A Common Stock in the private placement to the Management Purchasers.

Management Shares

In connection with this private placement, the following officers and directors of the Company and its subsidiaries subscribed to purchase an aggregate of 308,528 shares of the Company's Class A Common Stock (the "Management Shares") in the amounts set forth opposite their names below:

Name	Principal Positions with the Company	No. of Shares Purchased	Aggregate Purchase Price	Percent of Voting Power Owned After Private Placement

Initial Closing and Use of Proceeds

On December 18, 1998, the Company consummated the sale of 1,191,323 shares of Class A Common Stock to all of the Purchasers other than the Management Purchasers. The Company received gross proceeds of \$7,892,514 from the sale of these shares, and net proceeds of approximately \$7,235,000 after deducting the placement fee for such shares and the estimated offering expenses. The Management Purchasers also tendered

an aggregate of \$2,043,998 in escrow, representing the total purchase price for the Management Shares. The Company plans to use the net proceeds of the private placement (i) for repayment of indebtedness under the Company's credit facility, (ii) for expansion of the research and development and sales and marketing programs for Odetics ITS, particularly for Lane Tracker, and (iii) for working capital and general corporate purposes, including acquisitions.

Reason for Stockholder Approval

The Company is requesting its stockholders to approve the sale and issuance of the Management Shares to the Management Purchasers primarily because Rule 4430 of the Nasdaq Stock Market requires stockholder approval for the sale to officers and directors of the lesser of (i) one percent of the number of shares of Common Stock outstanding, (ii) 1% of the total voting power, or (iii) an aggregate of 25,000 shares. In order to comply with the rules of the Nasdaq Stock Market, the sale of shares to the Management Purchasers was conditioned upon the receipt of stockholder approval of such sale. All of the Management Purchasers have tendered the full purchase price for their shares in escrow and are irrevocably bound to purchase all of the Management Shares if the stockholders approve this transaction in accordance with the terms of the Purchase Agreement and the Addenda to the Purchase Agreement (the "Addenda"), entered into by each of the Management Purchasers. If stockholder approval is obtained, the Company plans to consummate the sale of the Management Shares as soon as reasonably practicable thereafter and to file a Registration Statement on Form S-3 with the Securities and Exchange Commission to register the Management Shares.

Consequences of Failure to Receive Stockholder Approval

If the Company's stockholders do not approve the purchase of the Management Shares by the Management Purchasers, the Company will immediately refund all amounts paid by the Management Purchasers and the sale and issuance of the Management Shares will not be consummated. The failure to obtain stockholder approval will not affect the sale of any shares in the private placement to any Purchaser who is not a Management Purchaser.

Board of Directors Recommendation

The Board of Directors of the Company believes that the issuance and sale of 308,528 shares of its Class A Common Stock to the Management Purchasers at a purchase price per share of \$6.625 is in the best interests of the Company and its stockholders. Among the factors considered by the Board in approving the sale of the Management Shares to the Management Purchasers was (i) the Board's desire to comply with Rule 4430 of the Nasdaq Stock Market and the terms of the Addenda, and (ii) the Board's view that the proceeds from the sale of the Management Shares are necessary to support the Company's near term working capital requirements.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE ISSUANCE AND SALE BY THE COMPANY OF AN AGGREGATE OF 308,528 SHARES OF THE COMPANY'S CLASS A COMMON STOCK TO THE MANAGEMENT PURCHASERS.

All directors are reimbursed for their out-of-pocket expenses incurred in attending meetings of the Board of Directors and its committees.

Nonemployee directors are also eligible to receive periodic option grants pursuant to the Automatic Option Grant Program under the Company's 1997 Stock Incentive Plan (the "1997 Plan"). Under this plan, as proposed, each nonemployee director will receive an option to purchase 5,000 shares of Class A Common Stock in connection with his initial appointment to the Board of Directors and an additional option to purchase 4,000 shares of Class A Common Stock on the date of each meeting thereafter. Each such option will have an exercise price equal to the fair market value of the Class A Common Stock on the grant date and will have a maximum term of ten years, subject to earlier termination following the optionee's cessation of service as a Board member.

The Compensation and Stock Option Committee makes recommendations to the Board concerning the compensation of all officers of the Company and administers the Company's stock option plans. The members of the Company's Compensation and Stock Option Committee are Messrs. Mickelson, Wexler and Wright. The Company's Compensation and Stock Option Committee held two meetings during the fiscal year ended March 31, 1998.

- (1) All of the options were granted pursuant to the Company's 1997 Plan and entitle the holder to purchase shares of Class A Common Stock. Such options have a maximum term of ten years, subject to earlier termination in the event of the optionee's termination of employment with the Company or its subsidiaries. The options vest in three equal installments, the first of which commenced on January 9, 1999, subject to acceleration of vesting (at the discretion of the Committee of the Board of Directors that administers the 1997 Plan) in the event of the merger, consolidation or reorganization of the Company. The vesting schedule of all options to purchase the Company's Class A Common Stock outstanding was accelerated in August 1997 in anticipation of the Company's spin-off of its interest in ATL.
- (2) The exercise price per share of the options granted represented 110% of the closing sales price of the underlying shares of Class A Common Stock on the date the options were granted.
- (3) The 5% and 10% assumed rates of appreciation are prescribed by the rules and regulations of the Securities and Exchange Commission and do not represent management's estimate or projection of future trading prices of the Class A Common Stock. Unless the market price of the Common Stock does in fact appreciate over the option term, no value will be realized from the option grants.

Ten Year Information Regarding Repricing, Cancellation and Regrant of Options

In May 1995, the Company repriced certain outstanding stock options which were originally granted in January 1994. In connection with the repricing, the Company made an offer to the holders of the options, including the Named Executive Officers, to reduce by one-third the number of shares covered by these options in consideration of a reduction in the exercise price of the options from their original exercise price to the market price of the Company's Class A Common Stock at the time of the offer. The following table sets forth certain information with respect to the repricing of options held by the Named Executive Officers.

Associate Benefit Plans

The Company maintains a Profit Sharing Plan and Trust (the "Profit Sharing Plan") which qualifies under Section 401 of the Code. The Profit Sharing Plan provides that associates who meet a six month service requirement automatically become participants. Each fiscal year, the Company, at its discretion, makes a contribution to the Profit Sharing Plan. The Company may contribute Class A Common Stock or cash to the Profit Sharing Plan. These contributions are allocated to separate accounts of the participants in proportion to their relative compensation, and are held in trust and invested. Participant accounts are credited with investment gains and losses. Vesting depends on the participant's years of service, with contributions being fully vested after the participant has five years of service. When an associate leaves the Company, his account under the Profit Sharing Plan, if vested, becomes distributable in a lump sum or over a period of time at the discretion of the Profit Sharing Plan Administrator. No contributions were made to the Profit Sharing Plan for fiscal years 1996, 1997 and 1998.

The Profit Sharing Plan also includes the Odetics, Inc. 401(k) Plan (the "401(k) Plan"). Under the 401(k) Plan, associates with at least six months of service with the Company or any subsidiary currently may elect to defer up to 10% of their compensation, not to exceed the limits set by the Code. The maximum deferral for calendar year 1999 is \$10,000.

The Company maintains an Associate Stock Ownership Plan (the "ASOP"), which

qualifies under Section 401 of the Code. The ASOP provides that associates who meet a six month service requirement automatically become participants. Each fiscal year, the Company, at its discretion, makes a contribution to the ASOP. The Company may contribute Class A Common Stock, or the cash to buy Class A Common Stock. These contributions are allocated to separate accounts of the participants in proportion to their relative compensation, and are held in trust. Vesting depends on the participant's years of service, with contributions being fully vested after the participant has five years of service. When an associate leaves the Company, his account under the ASOP, if vested, is distributed in shares of Class A Common Stock. The Company contributed Class A Common Stock valued at approximately \$511,000 as of the date of the contribution to the ASOP for fiscal year 1997. The Company did not make any contribution to the ASOP for fiscal year 1998.

The Company maintains an Executive Deferral Plan (the "Deferral Plan") which is intended to provide deferred compensation benefits to designated executives of the Company who contribute to the Company's growth

12

and success. Eligible executives may elect to defer up to 75%, but not less than \$5,000, of their compensation. Participation in the Deferral Plan is voluntary and may be discontinued at any time. Payment of benefits commences upon the retirement, death, disability or termination of employment of a participating executive.

Employment Contracts, Termination of Employment Agreements and Change of Control Arrangements

The Company does not currently have any employment contracts in effect with any of its Named Executive Officers. The Company provides incentives such as salary, benefits and option grants (which are typically subject to a four year vesting schedule) to attract and retain executive officers and other key associates. The Compensation Committee, as Plan Administrator of the 1997 Plan, has the authority to provide for the accelerated vesting of the shares of Common Stock subject to any outstanding options held by such individual, in connection with the termination of the individual's employment following an acquisition in which these options are assumed or the repurchase rights with respect to the unvested shares are assigned or certain hostile changes in control of the Company. Other than such accelerated vesting, there is no agreement or policy which would entitle any executive officers to severance payments or any other compensation as a result of such officer's termination.

Indemnification of Directors and Officers

Under Section 145 of the Delaware General Corporation Law, the Company can indemnify its directors and officers against liabilities they may incur in such capacities, including liabilities under the Securities Act of 1933, as amended (the "Securities Act"). The Company's Bylaws provide that the Company will indemnify its directors and officers to the fullest extent permitted by law and require the Company to advance litigation expenses upon receipt by the Company of an undertaking by the director or officer to repay such advances if it is ultimately determined that the director or officer is not entitled to indemnification. The Bylaws further provide that rights conferred under such Bylaws do not exclude any other right such persons may have or acquire under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

The Company's Certificate of Incorporation provides that, pursuant to Delaware Law, its directors shall not be liable for monetary damages for breach of the directors' fiduciary duty of care to the Company and its stockholders. This provision in the Certificate of Incorporation does not eliminate the duty of care, and in appropriate circumstances equitable remedies such as injunctive or other forms of non-monetary relief will remain available under Delaware Law. In addition, each director will continue to be subject to liability for breach of the director's duty of loyalty to the Company or its stockholders, for acts or omissions not in good faith or

involving intentional misconduct or knowing violations of law, for actions leading to improper personal benefit to the director, and for payment of dividends or approval of stock repurchases or redemptions that are unlawful under Delaware law. The provision also does not affect a director's responsibilities under any other law, such as the federal securities laws or state or federal environmental laws.

The Company has entered into agreements to indemnify its directors and certain of its officers in addition to the indemnification provided for in the Certificate of Incorporation and Bylaws. These agreements, among other things, indemnify the Company's directors and certain of its officers for certain expenses (including attorneys' fees), judgments, fines and settlement amounts incurred by such person in any action or proceeding, including any action by or in the right of the Company, on account of services as a director or officer of the Company, or as a director or officer of any other company or enterprise to which the person provides services at the request of the Company.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation and Stock Options Committee of the Company's Board of Directors during fiscal 1998 were Messrs. Mickelson, Wexler and Wright. None of the executive officers of the Company has served on the Board of Directors or on the compensation committee of any other entity, any of whose officers

13

served either on the Board of Directors or on the Compensation and Stock Options Committee of the Company. No member of the Compensation and Stock Option Committee was an officer or employee of the Company or its subsidiary during fiscal 1998.
